## Denise Galiano

Denise Galiano is a multimedia artist from East Brunswick, NJ. Married for 21 years, Denise's inspirations come from travels with her creative husband, Dino, and their two children Giulianna and Gian Lorenzo. She believes in using texture as a means of communication so that her viewers can feel the paintings and pottery as well as see them. The experience becomes multi-sensory. Denise obtained her graduate degree in Elementary Education. She inspires students to show their newly acquired knowledge with multimedia.

Denise has exhibited her paintings and pottery work in many arenas such as Borders Book Stores, East Brunswick Cultural Arts Festival, St. Peter's Hospital, One in Eight Cure for Cancer Exhibit, Middlesex County College Alumni Art Exhibit, Woodbridge Artisan Guild, Soho Ceramic Art Exhibit, Exhale Yoga Studio, East Brunswick Public Library, Vito Mazza Salon, Café Galleria and murals in private homes. Her work can be seen at [www.casagaliano.com](http://www.casagaliano.com).
