

THE ONE BARREL AT A TIME CO-OP

Abby Miranda

Abby Miranda was born and raised in NYC. She received her BFA in Design and Crafts at New Jersey City University in Jersey City and has been doing fine metals and jewelry work for almost 20 years. Ms. Miranda has taught art workshops for children, attended craft fairs and exhibited in the greater New York area. She holds a teacher of art certification, but is an environmental educator at the Tenafly Nature Center in Tenafly, NJ. She currently resides in Northern Bergen County, and her work can be found on <http://www.sovereignmetalsstudio.com/>.

Her rain barrel design is a portrait of a freshwater nymph with the native water animals of NJ entwined in her hair-plants as well. Hair is wrapped around the barrel along with flora and fauna.
