WATERSHED RESTORATION PLANNING WORKING GROUP

Wednesday, February 21st, 10 AM - Noon
Rutgers EcoComplex, Bordentown, New Jersey

AGENDA

1. Introduction

2. Recap of How to Develop a Watershed Restoration Plan Workshop. We will discuss the evaluations and solicit honest feedback from the working group.

3. Formalize goals and objectives of the working group
   **Meeting deliverable:** write a draft of the working group mission statement to post on website and share with all stakeholders

4. Discussion of future workshops and conferences. We will start by reviewing workshop topic suggestions from the workshop survey.
   **Meeting deliverable:** identify topics and plans for the next two workshops

5. Discussion of logistics – including locations and dates of future meetings and workshops

6. Determine agenda for next meeting

7. Lunch – pizza provided
