

Environmental Park  
6700 West Delilah Road, NJ  
Egg Harbor Township

## Rain Garden Design

20' Long 10' Wide

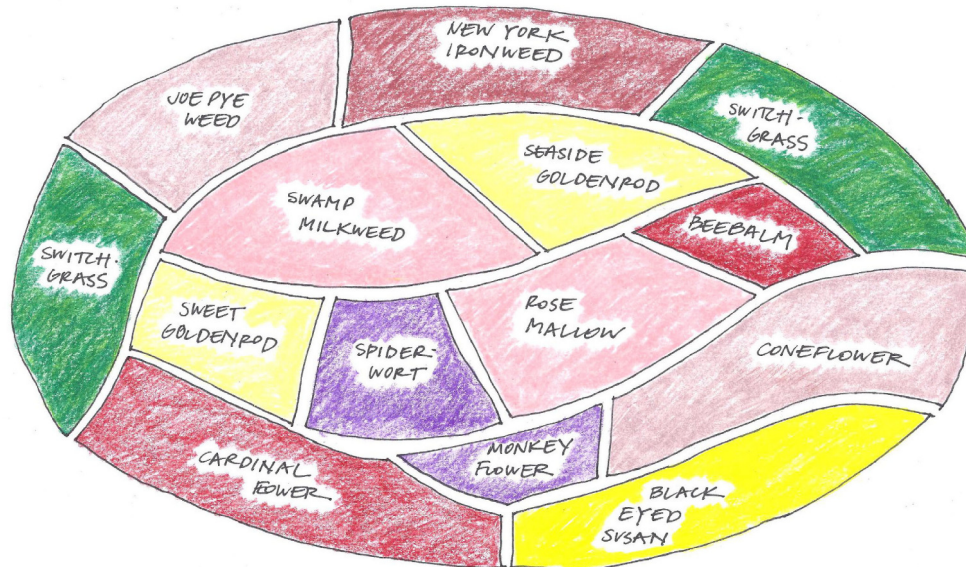

Rain Garden will have a total depth of 6"  
12" will be excavated  
3" of top soil will be mixed in  
3" of mulch will be added

## Rain Garden Layout

### Plant List

- Switch Grass
- Seaside Goldenrod
- Swamp Milkweed
- Bee Balm
- Spider Wort
- Allegheny Monkey Flower
- Cardinal Flower
- White Turtlehead
- New York Ironweed
- Black Eyed Susan
- Coneflower

### Materials Needed

- River Rock - Enough to cover outlet overflow
- Eco Topsoil - 2 cubic yards  
Soil test show the garden is 82% sand, so add topsoil so the plants have a good soil to grow in
- Hardwood Mulch - 2 cubic yards
